CenterPoint Church Campus/Teaching Pastor Position

Description:

We are launching a new campus in October 2024! The campus sanctuary seats 300, has a gymnasium and a large kids area. It also comes with a parsonage if the pastor chooses to live in it.

CenterPoint is a thriving church that has grown consistently over each of our 22 years. Across our 6 campuses, we average 2500 people each Sunday. Our campuses are very intentional to be an active part of the community as we share the gospel. We find that being missional and attractional aren't mutually exclusive, but both are important for reaching the lost. Our Campus Pastors work under the leadership of the Lead Pastor and Executive Pastor, and provide overall leadership for their campus. We work as a team and all of our Campus Pastors work together to build up the collective body of the church.
