

Job Description: **Campus Worship Leader**  
Part Time

**Work hand in hand with Worship Pastor and Campus Pastor to implement the creative vision for the Weekend services and senior leadership initiatives for assigned campus as well as assist in or oversee the following areas on assigned campus.**

**Responsibilities**

- ***Leadership Development*** – Oversee the mentoring and development of aspiring worship leaders, both musically and spiritually, for church growth and future campus staffing.
- ***Musical Development*** – Oversee the development and organization of both vocal and musical skill strengthening programs. Conduct instrument specific workshops and training as well as oversee all vocal direction.
- ***Discipleship*** – Assist in the development and implementation of shepherding and discipleship programs with the purpose of developing and equipping individuals to bring others closer to Jesus.
- ***Service Production*** – Oversee the production and implementation of the weekend services. This includes overseeing and directing the Technical Arts area and its team leaders.
- ***Campus Preparation*** – Oversee the set-up and tear-down of campus stage and ensure rehearsal and sound check schedules are adhered to.
- ***Equipping Volunteers*** – Oversee the scheduling of team volunteers and distribution of rehearsal materials one month at a time, one month in advance to allow for music memorization and quality execution.
- ***Staff Alignment*** – Attend weekly Staff Meetings and maintain loyalty, flexibility, and unity as you champion the CenterPoint vision.
