

Job Description: Young Adult Pastor

Full-Time

We're looking for a passionate, self-motivated, and theologically grounded leader to oversee the Young Adult ministry across all seven CenterPoint campuses, with a primary focus on our broadcast campus in Massapequa. This role serves young adults ages 18-29, leading both midweek discipleship gatherings and our Sunday night service, which draws heavily from this age group.

We currently have 75+ young adults actively involved midweek, and we believe this ministry has tremendous potential for continued growth and impact across Long Island.

If you're a compelling communicator, strong disciple-maker, and relational leader who loves young adults and the local church, we'd love to hear from you.
