ANNUAL 2021 REPORT
Brian & Sarah McMillan

We exist to give everyone on Long Island multiple opportunities to hear and respond to Jesus, by being a missional and attractional church that leads people into a deeper relationship with God.
To my Church Family,

“God is good.” It's such a simple term, but it holds so much weight! It doesn't have qualifiers. It's not, “God is good when...,” or, “God is good if...” No. God is always good. As we look back at 2021, I want to make sure we all know that God is good. Whether we were celebrating or weeping, His love for us is without question. His grace is unmatchable. His holiness is perfect. And, we will be with Him for all of eternity. Yes, God is good indeed!

As I reflect on 2021 I experienced both moments to celebrate and moments that brought tears. I had some highs and some deep lows. I was hoping to be far past the season of Covid and its disruptive and often painful reality, only to find it just as present at the end of the year as it was in the beginning! But...God is still good!

Yet through everything, I saw God's redemptive hand at work: Salvations, baptisms, and so many new family members that now call CenterPoint their church! That's what this annual report is all about. It gives us a moment to see some of the highlights of what God is doing at CenterPoint.

I also want to thank you for staying connected to our church or becoming part of our body during one of the most turbulent seasons I can ever remember. Whether you are part of our church in person or online, YOU ARE CENTERPOINT!

Which brings us to 2022 and our 20th anniversary as a church. God is good! This is a year to celebrate 20 years of faithful ministry to Long Island and a year to plan what the next decade for our church will look like. So let us worship our God, care for one another and never lose sight of the mission field of Long Island that God has called us to serve.

God is good!

LIFE GROUPS

God designed you, me, all of us, to grow more and more like Jesus. To become more loving, joyful, peaceful, patient, and self-controlled. But the reality is we will never get there by ourselves. Despite how talented, educated, or successful we may be, our greatest growth comes not from growing alone, but by growing together. This is why we have Life Groups. A Life Group is a place where we can remove our masks, listen and be listened to, learn how to pray, and discover God’s voice through His Word - Together. CPCHURCH.COM/GROUPS

Equip is a 15-course educational program designed to equip believers with a strong biblical and theological foundation. Offered by CenterPoint in partnership with Nyack College and Alliance Theological Seminary, the goal of this program can be found in Ephesians 4:12 as we are working to “equip the saints for the work of the ministry.” Some will enter this program in order to better serve God where they currently live and work. Others can consider this program as an alternative pathway to theological training for professional or pastoral ministry.

As everyone knows, 2021 was still a hard year due to Covid, therefore we had to spend more than we received. We had a special reserve that we accessed to help offset the lower giving in 2021. Also, in order to launch our new campuses in 2021, we spent funding that was raised in a previous year. These funds do not show up in 2021 income. However, we are confident that between our two new campuses and a strong return to in-person gatherings that, even though this might be a stretch of a budget, it's certainly feasible.

THANK YOU FOR YOUR FAITHFUL GENEROSITY.
